

# ANDREW T. STEVENSON

---

ATTORNEY | BERDING & WEIL LLP

*atevenson@berdingweil.com*

## AREAS OF PRACTICE

Andrew Stevenson is a member of the litigation department of Berding|Weil. Mr. Stevenson represents commercial real estate, common interest developments, and homeowners associations engaged in complex construction defect actions and other real estate and construction related matters.

## PROFESSIONAL HISTORY

Andrew Stevenson brings over a decade of experience in construction management for a Top 20 General Contractor to Berding|Weil. As a Project Manager, he specialized in building complex healthcare and mixed-used facilities across California and Hawaii ranging in value from \$5 million to over \$100 million. Mr. Stevenson is knowledgeable about green building practices and is a LEED Accredited Professional. He has also earned STSC and CHST certifications in construction safety by the Board of Certified Safety Professionals. Mr. Stevenson's diverse first-hand field experience offers Berding|Weil clients an insider perspective on complicated contract negotiations and construction related litigation.
