

# CHRISTINA M. MCKENZIE

---

CASE ANALYST | BERDING & WEIL LLP  
[cmckenzie@berdingweil.com](mailto:cmckenzie@berdingweil.com)

Christina McKenzie began working at Berding & Weil in 2022 and has been working in the legal field for over five years. She is a Case Analyst assigned to cases involving general counsel, enforcements, and litigations in construction defect. Christina looks forward to growing her career in law and expanding her experience with construction defect at Berding & Weil.

## PROFESSIONAL HISTORY

Before joining Berding & Weil, Christina has worked in a wide variety of legal fields, such as family law, immigration law, and civil litigation with a focus on insurance defense. Her experience with different types of law brings new insight and perspective to her role as a Case Analyst.

## EDUCATIONAL HISTORY

Christina graduated with a Bachelor of Science degree in Criminal Justice Administration from California State University, East Bay, and earned her Paralegal Certificate from CSUEB.
